

## Meet the Artist Event

PLACEMAKER  
PROGRAM 2014

The City of Saskatoon is hosting a public art presentation by *Sweetgrass Sway* artist Heather Shillinglaw. The public is invited to meet the artist and hear her talk about her artwork. *Sweetgrass Sway* is a temporary public art project comprised of 12 feather shaped flags with images of sweetgrass on them and arranged in the infinity symbol. It is currently installed at the entrance to Cosmopolitan Park at the top of the University Bridge and end of College Drive through the City's temporary public art Placemaker Program. The presentation will be:
