

JOIN US FOR TREE PLANTING!

The 14th street multi use pathway between Cumberland and Preston will be getting new trees and shrubs this spring!

**When: June 9, 2024
11:00am**

Vote for which types of trees you want to see:

This enhancement will make for a better experience for all those using the pathway, will help clean the air and provide additional habitat for pollinators.

Approximate Location

If you would like to help, bring a shovel/rake, some water and a chair. We could always use more hands. RSVP to trees@vvcasaskatoon.com

The trees and shrubs are being planted through a partnership between the City of Saskatoon and the Varsity View Community Association.
